

After reading and re-reading the book many time as a boy and wishing that Lewis Carroll would have written another Alice In Wonderland Book, John Rae began imagining what that girl would have gotten up to if he had done so. Telling these stories to his children over the years, where they were enthusiastically received, he finally decided to share them with the world. And here they are! The New Adventures of Alice (Summary by Phil Chenevert)

**Read by Narrator: Lydia**
